YOUR PATH TO SUCCESSFUL CHEMICAL SOURCING

CHEM-BUY is one of the most successful platforms in marketing and trading chemicals based on well-established relationships worldwide with well-known manufacturers as well as with carefully-selected partners. Hence we are able to provide products from multiple origins allowing our customers the freedom to choose the best product to meet specific needs.

FIND SUPPLIERS AND SOURCING ALTERNATIVES TRADE YOUR CHEMICAL PRODUCTS ONLINE

At CHEM-BUY you will experience a "one stop service platform" for all your chemical sourcing needs, whether buying or selling.

- **Value to Buyers: Lower purchasing prices - transaction costs**
- **Value to Sellers: Higher reach of customers - turnover**

EXPLOIT GLOBAL SOURCING AND BEST PRACTICES IN PURCHASING

We understand ourselves as "advisors" with extensive experience in chemical sourcing and access to a world wide source database of products. Our ultimate objective is achieving distinct competitive advantages in terms of price and conditions, which we derive from reinforced supplier relations, best practices in procurement, efficient processes and effective performance monitoring.
